

**~Coastal Explorer Camp~  
An Ocean Education Center Program  
Summer 2011**

Dear Parents,

Welcome to the Ocean Institute's **~Coastal Explorer Camp~** in the Ocean Education Center. During this camp, your child will explore the science of the surf zone. Camp highlights include studying adaptations of surf zone skates and rays, conducting experiments with our 14-foot wave tank, exploration of our Marine Protected Area and operating our remotely operated vehicles! Your child will meet a variety of challenges in our teaching laboratories, spend a day at the beach, kayak in the harbor, and take a 5-hour fishing/blue whale cruise aboard the Institute's research vessel ***R/V Sea Sea Explorer***.

Each participant should wear comfortable clothing appropriate for the day's weather. Closed-toed and closed-heeled shoes are required at all times while at the Ocean Institute. All students should bring a snack, sack lunch, bottle of water, jacket, hat, and sunscreen in a backpack or bag every day. Make sure student's names are on everything including the water bottle. A snack is provided every day, but feel free to pack your child a snack if you are concerned about allergies or dietary restrictions.

Similar to the policy followed by schools, the Ocean Institute prohibits campers from bringing any of the following to camp: electronic devices such as iPods or electronic games; sports equipment, including skateboards, boogie boards and surfboards; knives or any other weapons; alcohol; non-prescription drugs, and illegal drugs or substances. Cell phone use is prohibited during camp hours. Please be aware that dogs and other pets are not allowed on campus. We highly discourage parents from sending any valuable personal belongings with their child. The Ocean Institute is not responsible for the loss or damage of any item.

Check-in is between 8:30 a.m. and 9:00 a.m. on Monday and 8:45 a.m. and 9:00 a.m. the rest of the week. Pick-up is at 4:00 p.m. and no earlier than 3:45 p.m. without letting us know in advance. **Please note that there will be no adult supervision before 8:45 a.m. or after 4:15 p.m.** For the safety of your child, picture identification is required for pick-ups. In addition, for anyone to pick up your child **including the parent or guardian**, you must complete the enclosed authorization form.

We have included the following forms in this packet:

- Acknowledgement of Risk
- Student Medical Form
- Administration of Medication
- Release of Camper

There must be a completed **Medical Form, Acknowledgement of Risk, and Release of Camper** form for each child attending this program. If your child requires any prescription or over-the-counter medication during the day, you must have the Administration of Medication form(s) completed by your doctor. The medication must be in the original container with clear instructions on both schedule and dosage. Please call if you have any questions. These forms can be turned

in at the Ocean Institute front desk until the Friday before your camp week, or brought in during the check-in process on the first day of camp.

During registration on the first day of camp we will ask you to identify your primary phone number so that we can quickly reach you in event of an emergency. Ocean Institute instructors are all certified in CPR and first aid. Our staff will treat accidents or illness that require first aid. In the event of a major accident, we will dial 911. This includes, but is not limited to, any accident where your child experiences a loss of consciousness, has major bleeding, or has possible broken bones. Depending on the nature of the incident, we will apprise you via phone or in person during check out. If it appears that your child has an illness or injury that is not an emergency, but possibly should be seen by a doctor, we will contact you immediately.

Please remember that this camp is for children from ten to twelve years old. Your child must be at least ten years old before September 1, 2011. If your child does not meet this age requirement, you must cancel your reservation at least 10 days before the program starts in order to receive a refund. If you have any questions about the Ocean Institute refund policy, please call as soon as possible.

We are looking forward to sharing an exceptional experience with your child this summer. If you have any questions about the program, please call the Ocean Institute at (949) 496-2274, extension 339.

Sincerely,  
Shanette Grieve

# ACKNOWLEDGEMENT OF RISK AND WAIVER FOR ALL PARTICIPANTS

Welcome to the Ocean Institute! We want you and everyone to have a memorable and safe experience.

The Ocean Institute's environment, vessels, facilities, and activities are unique and different from your usual surroundings and activities. There are many inherent risks, dangers, and hazards and everyone must exercise caution at all times in order to avoid or minimize the risk of damage, injury, and death.

Examples of these risks, dangers, and hazards include, without limitation: (a) walking and standing surfaces that may be wet, slippery, moving, irregular, unstable, and rough; (b) open areas such as hatches into which someone could fall; (c) low or irregular lighting, or no lighting at all; (d) objects and equipment that could fall on someone; (e) low ceilings; (f) ropes, chains, and other items that could strike or entangle someone; (g) extreme and variable physical, weather, and ocean conditions, including darkness, sun glare, storms, and hot and cold temperatures; (h) vessels, docks, buildings, ladders, and stairs from which someone could fall; (i) vessels and docks that could pitch, roll, capsize, flood, collide, and sink; (j) gaps between a vessel and a dock that could open or close suddenly and unpredictably; (k) possible encounters with wildlife and plants; and (l) unavailability of medical attention and treatment.

If you attend and Ocean Institute activities, then you must exercise caution at all times to protect yourself and others from these risks, dangers, and hazards. If children or other persons under your care attend any Ocean Institute activities, then discuss these risks, dangers, and hazards with them as they too must exercise caution at all times.

## RELEASE OF CAMPERS

At the Ocean Institute, our primary concern is the safety and well-being of the children who attend our programs. To ensure the safety of our campers, we follow the following procedures for Check-In and Check-Out at summer camps:

1. Day campers **must** be signed in and out by an **adult** each day on the appropriate form.
2. All campers will ONLY be released to an authorized person. Parents/guardians must complete and sign a form (see below) authorizing release of the camper to anyone. **Photo identification (such as a Driver’s License) is required before a camper will be released to any individual.**
3. If a custodial parent requests that a camper not be signed out to a non-custodial parent, such a request must be in writing.
4. When a last-minute change occurs in who will be picking up a camper, the new instructions are to be verified with the camp director from an authorized person on the “Release of Camper” form. Custodial parents are welcome to add names to the “Release of Camper” form during the course of the week.
5. No camper may leave camp at any time without prior authorization from the custodial parent and the camp director.

MEDICATION

In order for your child to receive any prescription medication during the \_\_\_\_\_ program, an **ADMINISTRATION OF MEDICATION** form must be completed by a parent or guardian and your child's physician. For prescription medication, a form must be completed for each medication prescribed for the period your child will attend the program. The prescription container must be clearly labeled with the following information:

- a. Participant's full name                      b. Physician's name                      c. Physician's phone number
- d. Name of medication                          e. Dosage                                      f. Expiration date of Rx.

Each medication must be in a separate container.

In order for your child to **bring** and receive any non-prescription medication (headache remedies, upset stomach remedies) during the program, an **ADMINISTRATION OF MEDICATION** form must be completed by a parent or guardian and your child's physician. Any non-prescription medication you send with your child must be in the original container and clearly labeled with your child's name. **No child will be allowed to take any non-prescription medication unless this form is completed, with a physician's signature, and the medication is sent to the program with the teacher-in-charge.**

**9. What have we forgotten to ask?** Please provide in the space below any additional information about the camper's health that you think important or that may affect the camper's ability to fully participate in the camp program.
