

~ Seafarer's Odyssey Camp ~
A Maritime TallShip Program
2011

Dear Parents,

Welcome to the Ocean Institute's ~**Seafarer's Odyssey Camp**~. Sailing, rowing, steam power, and remote controls - these are all ways we have explored our ocean. At Seafarer's Odyssey Camp, we experience them all with fun, hands-on activities. Our odyssey begins in the Golden Age of Sail aboard a traditional tallship and continues through time, culminating onboard our modern research vessel.

During the week, the adventurers will have the opportunity to crew and set sail aboard *Spirit of Dana Point* (including working the helm and firing the ship's cannon!), row traditional longboats, explore sea legends and lore, race miniature steam boats, and investigate the harbor floor with a remotely operated underwater vehicle (ROV). From the past to the present, join us as we go on a maritime adventure through time that you will not soon forget!

Each participant should wear comfortable clothing appropriate for the day's weather. Closed-toed and closed-heeled shoes are required at all times while at the Ocean Institute. All students should bring a snack, sack lunch, bottle of water, jacket, hat, and sunscreen in a backpack or bag every day. Make sure student's names are on everything including the water bottle. A snack is provided every day, but feel free to pack your child a snack if you are concerned about allergies or dietary restrictions.

Check-in is between 8:30 a.m. and 9:00 a.m. on Monday and 8:45 a.m. and 9:00 a.m. the rest of the week. Pick-up is at 4:00 p.m. and no earlier than 3:45 p.m. without letting us know in advance. **Please note that there will be no adult supervision before 8:45 a.m. or after 4:15 p.m.** For the safety of your child, picture identification is required for pick-ups. In addition, for anyone to pick up your child **including the parent or guardian**, you must complete the enclosed authorization form.

We have included the following forms in this packet:

- Acknowledgement of Risk
- Student Medical Form
- Administration of Medication
- Release of Camper

There must be a completed **Medical Form, Acknowledgement of Risk, and Release of Camper** form for each child attending this program. If your child requires any prescription or over-the-counter medication during the day, you must have the Administration of Medication form(s) completed by your doctor. The medication must be in the original container with clear instructions on both schedule and dosage. Please call if you have any questions. These forms can be turned in at the Ocean Institute front desk until the Friday before your camp week, or brought in during the check-in process on the first day of camp.

During registration on the first day of camp we will ask you to identify your primary phone number so that we can quickly reach you in event of an emergency. Ocean Institute instructors are all certified in CPR and first aid. Our staff will treat accidents or illness that require first aid. In the event of a major accident, we will dial 911. This includes, but is not limited to, any accident where your child experiences a loss of consciousness,

has major bleeding, or has possible broken bones. Depending on the nature of the incident, we will apprise you via phone or in person during check out. If it appears that your child has an illness or injury that is not an emergency, but possibly should be seen by a doctor, we will contact you immediately.

Please remember that this camp is for children from nine to ten years old. Your child must be at least nine years old before September 1, 2011. If your child does not meet this age requirement, you must cancel your reservation at least 10 days before the program starts in order to receive a refund. If you have any questions about the Ocean Institute refund policy, please call as soon as possible.

Similar to the policy followed by schools, the Ocean Institute prohibits campers from bringing any of the following to camp: electronic devices such as iPods or electronic games; sports equipment, including skateboards, boogie boards and surfboards; knives or any other weapons; alcohol; non-prescription drugs, and illegal drugs or substances. Cell phone use is prohibited during camp hours. Please be aware that pets are not allowed on campus. We highly discourage parents from sending any valuable personal belongings with their child. The Ocean Institute is not responsible for the loss or damage of any item.

We are looking forward to sharing an exceptionally fun and educational experience with your child this summer. If you have any questions, please e-mail me at sburgart@ocean-institute.org , or you may call me at (949) 496-2274, extension 217.

Sincerely,

Sarah Burgart
